

Hybrid Drumming

Composing a Beat

What we have seen so far

- We have experienced with different types of acoustic triggers
- Got familiar with drum samples
- Chop samples
- Loop samples
- Our first drum samples
- Beat is not necessarily BD+SNR+HI-HAT, it can contain loops / other stuff

Today

- Listen to some tracks and analyze the beat
- Experience a little more with the SPD
- Listen to your beats

Track 1

Track 2

Track 3

Track 4
